PALS Program

UBCA keeps costs down by involving parents in the educational experience of our students. We require two parent families to serve 30 hours or pay \$750 per school year. Single parent families or parents of half-Day students are required to serve 20 hours or pay \$500 per school year. Every PALS hour is equal to \$25 worth of service. PALS hours may be earned in many ways. Check with the front office for service opportunities. Each service hour not completed will be added to your account at the end of each quarter.
