How Can You Afford a UBCA Education?

At UBCA, we understand that a private school education is a significant financial commitment.

We also understand the inherent value and transformational power of an excellent Christian education. With these things in mind, we strive to educate parents on all their affordability options. Below is the process we recommend for all our parents interested in a UBCA education:

1. Enroll by March 30th and get 50% off your Registration Fee.
2. **Apply for the "Utah Fits All" scholarship** - please see the information on our website under our Admissions tab. This scholarship will cover the full cost of a current UBCA tuition!
3. **Other UBCA Tuition Assistance options** - If you are not eligible for the Utah Fits All Scholarship or miss the deadline to apply, please contact our office to discuss other affordability options. These options will not cover the full cost of a current UBCA tuition, but will be based upon your level of need.
